

CHERRY BLOSSOM PRESS

# Decodable Classroom Libraries

# Discover the Cherry Blossom Press Difference

Grounded in the Science of Reading, decodable books provide early readers with the practical experience they need to master the foundations of reading.

Step by step and skill by skill, Cherry Blossom Press titles enhance core phonics instruction with a library of engaging stories and nonfiction texts. With Cherry Blossom Press, each child's love of reading has what it needs to bloom.

Cherry Blossom Press grade-level sets include decodable readers that are:

- Aligned to Levels K-3 of Foundations™ by Wilson Language Training Co.
- Created by Cecilia Minden, Ph.D., a literacy consultant and former director of the Language and Literacy Program at Harvard Graduate School of Education.
- Highly-engaging with full-color illustrations or photographs.
- Designed with word lists for pre-teaching, practice, and formative assessment.
- Labeled with core phonics skills for easy re-teaching, review, and scaffolding.
- Scaled to increase in complexity throughout each grade.

Each set of decodable readers is curated for the needs of that specific grade.

## GRADE K

# Grade 3

Bridges early readers into confident readers with a set of fully-illustrated, 24-page chapter books.

Paperback • Page Count: 24

Dimensions: 6" x 8"

Full-color Illustrations & Photography

The *In Bloom* series are curriculum-based chapter books that ease younger readers into reading. Each book uses decodable text, a repetition of sight words, and vowel sounds to raise recognition and confidence. Original illustrations help guide readers through the text.

# CHERRY BLOSSOM PRESS

*"Cherry Blossom Books are written for the earliest readers. The colorful illustrations and engaging stories support beginning reading skills using short vowel, single syllable words. The word list and full text at the end of the book assist with word study and timed readings."*
